Germany â€“ Atkins

The two studies on global food losses (one for high/medium-income countries and one for low income countries) have been carried out to serve as a basis for the international congress Save Food!, 16-17 May 2011, at the international packaging industry fair Interpack2011 in Düsseldorf, Germany. Save Food! has

Global Food Losses and Food Waste

In 2015, world leaders agreed to 17 goals for a better world by 2030. These goals have the power to end poverty, fight inequality and stop climate change. Guided by the goals, it is now up to all of us, governments, businesses, civil society and the general public to work together to build a better future for everyone.

The Global Goals - Official Site

Germany, as a major voice in the EU and world economy, can help advance improved regulation of the global markets â€“ especially capital markets and their players â€“ and thus mitigate the loss of effectiveness of its national economic policy.

Controlling the risks of a global economy : Germany's role

Germanyâ€™s Economy Domestic Laggard and Export Miracle MICHAEL DAUDERSTÄDT April 2012 At first sight, Germanyâ€™s economy has benefited from globalisation in general and from the global recovery since 2010 in particular. It offers a range of products, capital and luxury goods for which, thanks to the inequality of global growth, demand abroad is strong. Germany has internationalised its ...

Germany's economy : domestic laggard and export miracle

PDF. Germany's expanding role in global health. PDF. Image gallery. A peek into the past. The old card collection in the Robert Koch Institute Library in Berlin. The library holds a vast collection of books and other publications on health-related topics dating back more than 100 years. In particular, it has a collection of many early publications about tuberculosis and works by Robert Koch ...

Germany and health - thelancet.com

leashed by Hitler's Germany and the global confrontation that Stalin's Russia forced upon the world. A change of such a tectonic magnitude as the breakdown of the entire postwar international order can only result when longer-term developments create the necessary preconditions, and when an unusual confluence of forces triggers the decisive events. Both elements came together to bring about ...

Germany's Unification 205 - EndOfColdWarForum.org

Ten years on from the global financial crisis, the prospects for a sustained economic recovery remain at risk due to a widespread failure on the part of leaders and policy-makers to put in place reforms necessary to underpin competitiveness and bring about much-needed increases in productivity, according to data from the World Economic Forumâ€™s Global Competitiveness Report 2017-2018. Ten ...
