There has been a great deal of anxiety about the motivations behind China's going out policy and its possible international consequences. Many view it as an expression of China's international ambition and a strategy that threatens the existing international order; however, that is not the whole story. An equally important but often less ...

So many factors are already far past the breaking point, major links in the chain of our current reality are likely to fall soon. Though the collapse of the paradigm we have formerly known is inevitable and near, the collective efforts of the already awakened could still positively alter the composition of what is unfolding.
