### **Handbook Of Moral Behavior And Development Volume 2**

The literature on moral behavior and development has grown to the point where it is no longer possible to capture the "state of the art" in a single volume. This comprehensive multi-volume Handbook marks an important transition because it provides evidence that the field has emerged as an area of scholarly activity in its own right. Spanning many professional domains, there is a striking ...

### **Handbook of Moral Behavior and Development: Volume 3**

The literature on moral behavior and development has grown to the point where it is no longer possible to capture the "state of the art" in a single volume. This comprehensive multi-volume Handbook marks an important transition because it provides evidence that the field has emerged as an area of scholarly activity in its own right. Spanning many professional domains, there is a striking variety of issues and topics surveyed: anthropology, biology, economics, education, philosophy ...

### **Handbook of Moral Behavior and Development | Volume 1**

A comprehensive theory of morality must explain how moral reasoning, in conjunction with other psychosocial factors, governs moral conduct. Social cognitive theory adopts a cognitive interactionist perspective to moral phenomena. Within this conceptual framework, personal factors in the form of moral thought and affective self-reactions, moral conduct, and environmental factors all operate as interacting determinants that influence each other bidirectionally. Moral thinking is a ...

Description : The Moral Psychology Handbook offers a survey of contemporary moral psychology, integrating evidence and argument from philosophy and the human sciences. The chapters cover major issues in moral psychology, including moral reasoning, character, moral emotion, positive psychology, moral rules, the neural correlates of ethical judgment, and the attribution of moral responsibility. Each chapter is a collaborative effort, written jointly by leading researchers in the field.
