The NEDA Parent Toolkit was created to provide some of these tools that can be used in critical moments in your search for help, hope and healing. As one parent told us, "this toolkit was exactly the resource we needed when we started the journey for our family, we needed real resources, reassurance that we were not the only family with the challenge and that there would be light at the end ...

### **Parents - ThinkUKnow**

to support parents as they prepare their child for the transition into a new pre-school setting. The first few weeks when a child is settling into an early years setting is a time of crucial importance to their later happiness in the setting. All children are individuals and while some children will adjust fairly easily to the new environment and new routines, others will take longer to feel ...
