Now historical romance is making a cautious comeback. All this time the historical romance flourished in ebook format and the one casualty of the collapse in the market - the traditional Regency romance (think Georgette Heyer, where the books are as much comedies of manners as romances) has found a foothold.

Regency romances are a subgenre of romance novels set during the period of the British Regency (1811–1820) or early 19th century. Rather than simply being versions of contemporary romance stories transported to a historical setting, Regency romances are a distinct genre with their own plot and stylistic conventions.
